Manvers Public Works

The team at Manvers Public Works donated a whopping **3375 lb of non-perishables** to KLFS. Heavy equipment operator Luke Heard explained their reason for donating, "As public works operators, we connect with residents everyday as we're out in the community servicing roads. We wanted an opportunity to give back to the area and offer our support to those who need it most. I've done things like this myself for years. I just want to make it bigger and help as many people as we can."

A HUGE thank you

to our volunteers who sort, pick up donations, drop off supplies, plan events, organize food drives, deliver food hampers and so much more!

Look who's helping feed our neighbours!

Winter Schminter!

Even after snow arrived, we were able to share greens from the community gardens and distribution centre tower gardens!

Young People Helping!

KLFS is so fortunate to have young people cultivating opportunities to help those who are food insecure in CKL.

In memory of Frank McColl, **five year old Julia Donaldson** and her family annually gather items for the KLFS Reverse Advent Calendar.

Four year old Blake held a yard sale where he sold some of his toys to raise money to buy gifts for kids in need this Christmas. He also collected food donations to help feed those who are hungry in our community.
