Drive-Thru Food Drive

On May 13th, we organized a city-wide drive-thru food drive at 14 locations across the City of Kawartha Lakes. Across all locations, an estimated 382 families and individuals made donations, and **7,455 pounds of food were collected.**

Porch Food Drive!

Since March, community members in a downtown Lindsay neighborhood have been hosting a **weekly pop-up food drive** on the front porch of a vacant home owned by a generous family. Each week, donations were welcomed to be dropped off, and at the end of each day, donations were collected by a KLFS volunteer. This helped us immensely during the height of COVID-19, as it **relieved a lot of pressure on our distribution centre team**, while still bringing in a significant amount of donations. Thank you so much to all who supported this food drive, and especially to Kerri for organizing.

Emergency Food Boxes

Feed Ontario, the provincial association of food banks, produced and ship over **100,000 Emergency Food Boxes** to their member agencies throughout Ontario, including us

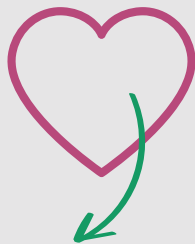

here at the Kawartha Lakes Food Source. Once we received our shipments, we were able to share these boxes with 11 food banks across our region to give to the families and individuals they serve.

Plant a Row, Grow A Row

Calling all **backyard gardeners** and **farmers!** If you have any surplus produce, we will gladly accept your donation here at the Kawartha Lakes Food Source. For more information, call us at 705-324-0707.

In total, they raised an incredible **\$1,200 dollars worth of gift cards** which have been fair

shared out to our 3 member food banks within Lindsay to give directly to local families and individuals accessing their services. **Thank you to the whole team at Burns Bulk Food** who helped, and especially to store owner Dan and his wife Meg who have always been strong supporters of KLFS.

John Fox, Owner of Boston Pizza Lindsay

WOW! John Fox, Owner of Boston Pizza, made an incredibly **generous donation of \$10,000** to us to ensure that we can meet our community's need as the COVID-19 situation continues to evolve. Thank you, John, for all you do. Our community is lucky to have you in it.

IE Weldon Secondary School Antics

at the Kawartha Lakes Food Source. In total, **IE Weldon and the Wildcat community donated \$1,445!** Thank you to everyone who took part in the talent show, to the IE Weldon staff that organized and made the show, and to all the families who donated.

Building Strong Communities with Rona

In June we received a generous **\$1,000 donation from RONA** as a part of Lowe's Canada's efforts to build strong communities impacted by COVID-19. Thank you, RONA for selecting us as

a local recipient of the support, and for everything else you do for the community.

The Fiddler Family

Since the provincial government declared a state of emergency due to COVID-19, our Lindsay Community Food Market Coordinator Kate suspended all regular volunteer operations in order to best protect our team and the community we serve. So, to keep the food bank open, her mom, brother, and dog (Freddy) **stepped up to take care of the critical work that goes into our food bank**, keeping operations running smoothly. From loading and unloading endless banana boxes to massive grocery shops to painting signs for food drives - these two have done it all! As a small gesture of appreciation, **Kate hosted her own Volunteer Appreciation Day for her family.**
