2021 KLFS Stinky Fish Challenge

The 2021 KLFS Stinky Fish Challenge has officially come to an end! Local community leaders Darryl James (song writer and member of The Strumbellas), Leanna and Luis Segura (Fresh FueLL and North Ward Coffee Co.) and Patrick Lynch (Team Brad Bird at MinCom Plus Realty Inc.) fundraised furiously through August so that they wouldn't have to eat Surstromming, a Swedish delicacy also known as the World's Stinkiest Fish. Patrick may have lost the Challenge (Shown in picture), but the event was a success, with over **\$5,100 raised** to help KLFS support our community! Thank you to our Challengers for putting their tastebuds on the line, and to everyone who donated through this tough time.

Kids Helping Kids!

This is Silas and Lucas, who donated **41 lbs of non-perishable foods** to Kawartha Lakes Food Source last week! Silas was so worried about those kids who might not have a full stomach right now that he grabbed his little brother and set out to help.

Just like Lucas drew in the amazing pictures he brought to go along with their donation, we don't like COVID-19 either. That said, we sure are thankful to all the people like these two amazing boys who have helped us to help those in need of support through the pandemic!

TIM HORTONS SMILE COOKIES

Smile Cookie Week will take place from September 13-19, with proceeds in our area going towards KLFS and the Dragonflies Breast Cancer Survivor group. Last year Lindsay sold out and with **22,000 cookies ordered for this year**, we hope to do it again! Grab your cookies at any Lindsay Tim Horton's location to help support our community.

Thanking Farmers!

Local farmers Bonnie and John plant extra with the intention of donating to KLFS. **Each week they drop off boxes of fresh produce** that we share out to our member food banks. Farmers and backyard

growers are welcome to drop off surplus from their gardens! KLFS can also provide a tax receipt for your produce donation upon request!

A HUGE thank you

to our volunteers who sort, pick up donations, drop off supplies, plan events, organize food drives, tend to the gardens and so much more!
